In order to make certain that you and your dog, as well as our other guests, have an enjoyable and relaxing stay, we have put together some guidelines for you to follow during your stay. They are as follows:

- Guests are permitted to have one dog per guest room.
- **Dogs may not be left in a guest room unattended at any time. Should you require a pet sitter, our Front Desk would be happy to assist you with advance notice by dialing zero on your room telephone.**
- Dogs must be well behaved and mild mannered while in the hotel. We reserve the right to require immediate removal of any dog that displays dangerous or unacceptable behavior, including but not limited to biting, excessive barking, evidence of disease, or urination or defecation in public areas. You will be responsible for all charges relating to the removal of your pet including transportation and kennel charges.
- Guests will be responsible for all damages caused to the room by their pets. This includes, but is not limited to scratches, broken furniture, and carpet damage.
- There will be a \$75 deep cleaning charge for your stay that will be posted to your account upon check-in. This fee is non refundable.
- The Boston Hotel Buckminster reserves the right to ask you to change rooms or vacate the hotel should the behavior of your dog cause a disturbance to other guests. We also require that you agree and understand that any compensation, financial or otherwise, issues to another guest who may have been disturbed by your dog during their stay, will be added to your account to be paid in full at check out.
- We require that you provide us with a contact telephone number so that we may contact you at any time during your stay.
